I am a trainee teacher so getting to see the inner workings of a school has been beneficial in understanding what my career path involves in day-to-day school life. My child attends this school so I am passionate in helping to create further developments in the school, for resources and opportunities to impact and develop the children's learning. I have an interest in the well being of children, how the school supports children emotionally, mentally and physically. I have a passion foe SEND also as I support SEND children as a TA in schools on agency and I have a child who has SEND.	23/01/2022	-
