Leadership for Governance Development Programme

Designed to develop Governors to become more effective leaders of School Governance and to develop your strategic role within school.

Who is it for?

This programme builds on our successful Governance leadership pilot held during 2018 and is now being rolled out to any Governor within Transform Trust or Transform TSA.

Facilitated by

Fiona Moore, Leadership Development and Talent Specialist.

Programme Content

This programme has five modules focusing on:

Module 1: 3-5pm Thursday 18 July 2019	Strategy and strategic thinking - Exploring what this means and enabling Governors to focus on their role in school.
Module 2: 8-10am Tuesday 17 September 2019	The Data Challenge - How to interpret school data, questioning, challenge and understanding of school metrics.
Module 3: 8-10am Tuesday 15 October 2019	Receive feedback via the Governor 360 tool. Chance to explore and discuss results and have coaching conversations with colleagues.
Module 4: 8-10am Tuesday 19 November 2019	Relationships & Style - Chance to explore how our own style influences how we approach relationships and how we can challenge within the context of the Governor role.
Module 5: 8-10am Tuesday 17 December 2019	Reflection - Exploration of how to apply new skills gained via the programme. Either group reflection or chance for 1:1 coaching.

Cost

This is a membership offer with a cost of just £50 per school. That means any school can send as many Governors for just £50!
