

Between the Trust and each Academy there is a Scheme of Delegation which outlines the level of delegated authority awarded to each school.

## Aim: To deliver appropriate and effective governance which is world class and fit for purpose

# **GOVERNANCE FRAMEWORK and MODELS OF GOVERNANCE**

The purpose of governance is to provide confident, strategic leadership and to create robust accountability, oversight and assurance for educational and financial performance". "Boards must be ambitious for all children and infused with a passion for education and a commitment to continuous school improvement that enables the best possible outcomes. It should be driven by inquisitive, independent minds and through conversations focussed on the key strategic issues which are conducted with humility, good judgement, resilience and determination", DfE Governance Handbook, March 2019
