

# Transform Parent Entitlement (TPE)

Transform would like to establish a 'Parent Shadow Board' with the purpose of developing a 'Transform Parent Entitlement' for all parents/carers whose child/children attend a Transform School.

We would like to invite you to come along and give your ideas as to what this new board might do. We will be hosting meetings to discuss it in our Trust partnership areas as shown below.

## Parent entitlement:

- Trust parent voice
- Parent communications - for parents by parents
- Analyse results of survey and suggest improvements
- Develop support for children's activities
- Develop learning resources for parents to help their child learn at home

## Parent shadow board:

- Maximum membership; up to 20 - initially by expressions of interest
- Meet termly; 2-3 hours and includes CEO
- Set the vision and purpose of the board
