I accept that as Accounting Officer of TT2014, I am responsible and accountable for ensuring that the Academy Trust delivers good value in the use of public resources. I am aware of the guide to academy value for money statements published by the Education Funding Agency and understand that value for money refers to the educational and wider social outcomes achieved in return for the taxpayer resources received.

The below statement sets out how the Academy Trust's use of its resources has provided good value for money during the academic year.
