

Transform Trust Attendance Policy September 2021

Mission Statement

Regular and punctual attendance is an essential prerequisite to effective learning. At *(School name)* School we aim to develop an ethos which demonstrates to children, parents/carers and the wider community how much we value good attendance and punctuality. We expect all pupils to attend school every day.

Legal Responsibility

The parent/carer of a child of compulsory school age is required by law to ensure that the child attends the school at which he/she is registered. Should a parent/carer fail to ensure that his/her child attends that school then the parent/carer is guilty of an offence. When a child of compulsory school age is absent from school, the attendance register must indicate whether the absence is authorised or unauthorised and the appropriate register code will be used.

Authorised Absence

Authorised absence is where the school has either given approval in advance for the child to be absent or where an explanation offered afterwards has been accepted as satisfactory justification for absence.

Absence may generally be authorised for the following reasons:

- illness, medical or dental appointments;
- days of religious observance; (with exception of *{insert school name}* who plan inset days for religious observance);
- exclusion;
- traveller child travelling for the purposes of parents' employment;
- 'exceptional' occasions (the nature of such occasions will be determined by school on an individual basis).

Not attending in circumstances relating to Covid-19

The Government has amended regulations to the [school attendance: guidance for schools](#) to enable schools in the 2021 to 2022 academic year to continue to record where a pupil does not attend in circumstances relating to COVID-19.

This category must be used to record sessions that take place in the 2021 to 2022 academic year where a pupil does not attend because their travel to, or attendance at, school would be:

- contrary to guidance relating to the incidence or transmission of COVID-19 from Public Health England (PHE), or its successor UK Health Security Agency (UKHSA), and/or the Department of Health and Social Care (DHSC);
- prohibited by any legislation (or instruments such as statutory directions) relating to the incidence or transmission of COVID-19

This category must only be used to record where a pupil is not attending for the reasons set out above. It should not be used to record any other type of non-attendance or absence - for example, where a parent or pupil is anxious about attending school because of COVID-19.

Examples in which 'not attending in circumstances relating to COVID-19' could apply

In line with current legislation, and guidance from PHE (and its successor the UKHSA) and DHSC, examples are as follows:

- Pupils who are required to self-isolate as they have symptoms or confirmed COVID-19.
- Pupils who have symptoms of COVID-19, or have had a positive lateral flow device (LFD) test, should self-isolate and get a confirmatory polymerase chain reaction (PCR) test.
- If a pupil tests negative and if they feel well, they can stop self-isolating and return to school. If the pupil remains unwell following the test (such as with a different illness), then they should be recorded as code I (illness). Code X should only be used up until the time of the negative test result. Schools should not retrospectively change the attendance register due to a negative test result.

If a pupil tests positive, they should continue to self-isolate in line with public health guidance. Code X should be used for the period of self-isolation until the test. After the pupil tests positive, they should be recorded as code I (illness) until they are able to return to school.

Pupils who are a close contact of someone who has symptoms or confirmed COVID-19

Pupils who are a close contact of someone who has tested positive for COVID-19 do not need to self-isolate. They should instead get a PCR test, and should only self-isolate if they test positive. If they do test positive, they should be recorded as code I (illness) until they are able to return to school.

Pupils who are required by legislation to self-isolate as part of a period of quarantine

As usual, parents should plan their holidays within school breaks and avoid seeking permission to take their children out of school during term time. Families should also consider that their child may need to self-isolate following trips overseas that require a period of quarantine. If a pupil is required to be in quarantine on arrival in, or return to, the UK, the school should use code X in the register.

Pupils who are clinically extremely vulnerable when shielding is advised

Clinically extremely vulnerable people are no longer advised to shield. All clinically extremely vulnerable pupils should attend their education setting unless they are one of the very small number of children and young people under paediatric or other specialist care who have been advised by their clinician or other specialist not to attend.

If shielding is advised nationally or in a local area again, by DHSC, PHE or UKHSA, then pupils who are clinically extremely vulnerable may be advised not to attend school. Non-attendance in accordance with guidance from DHSC, PHE or UKHSA should be recorded as code X.

Pupils who are self-isolating but who have not had a PCR test

In line with public health advice, pupils with symptoms must self-isolate and schools should strongly encourage pupils to take a PCR test. Where the pupil is unable to take a PCR test, the school should record the pupil as code X in the register.

Schools should follow up with families if they are not satisfied with the reason as to why the pupil is not in school. Schools can request supporting evidence from the family. Where the school is not

satisfied with the reason given for absence, they may record this using one of the unauthorised absence codes, in line with the [school attendance: guidance for schools](#).

Remote education

If a pupil is not attending school because their attendance would be contrary to government guidance or legislation around COVID-19, we will offer access to remote education. We will keep a record of, and monitor engagement with, this activity, but this does not need to be tracked in the attendance register.

Whenever a child is absent from school it is the duty of the parent/carer to notify the school on the first day of absence before the start of school and provide a reason for absence.

Unauthorised Absence

Unauthorised absence is where no explanation has been given for the child's absence or where the explanation offered is considered by the school to be unacceptable. Absence should **not** be authorised in the following circumstances:

- no explanation is offered by the parent/carer;
- the explanation offered is unsatisfactory (e.g. shopping, minding the house, etc);
- family holidays (unless granted under 'exceptional' circumstances).

Persistent Absence

Persistent absence (or PA) is absence of 10% or more. An individual child is deemed to be a persistent absentee, therefore, if his/her attendance is less than 90% (regardless of whether or not the absences have been authorised).

Approved Educational Activity

Children who are educated off site, dual registered, or who are engaged in supervised educational activities away from school premises, need not be marked as absent, and will be recorded appropriately (Code B, D or V). This means that children attending educational visits, or approved sporting activities can be counted as statistically 'present'. The nature of the activity must, however, be recorded by use of appropriate code. This is important in order to ensure that an accurate record of those children physically present on site at any given time is instantly available.

Registers

We are required by law to call attendance registers twice daily - once at the start of the morning session and again during the afternoon session.

In considering attendance levels, the register is of paramount importance. Registers are legal documents. Should the parents/carers of a persistent non-attender be prosecuted by the Local Authority, then the information which the register contains will be the main source of evidence presented to the court. The regulatory requirements placed on schools with regard to the keeping of registers are to be found in the Education (Pupil Registration) Regulations 2006.

Punctuality

Once the doors are closed pupils must enter school via the school office. School staff will operate a daily “late gate”. Any pupil who comes into school late will be marked as late in the attendance record. Records are kept of those pupils who are late, this is documented on the electronic register for each pupil. Registers should close 20 mins after the start of the school day in Derby and 10 mins in Nottingham (as recommended by the Education Welfare Services for Derby City and Nottingham City). Up to this point the L code should be used but after the close of register then this should be changed to a U code. Registers should close in the afternoon after 20 minutes of the start of the afternoon session for all schools.

Children who have attended a dentist or doctor’s appointment and subsequently come to school late, before the session has closed will receive a late mark and a comment entered. If they don’t return before the end of the session the absence will be recorded as a medical absence (Attendance code M).

Persistent incidents of lateness parents/carers will be advised of the concerns and the school will provide children who are persistently late miss a significant amount of learning. Where there have been opportunities for parents/carers to seek support and advice to address these issues. Schools should be proactive in supporting parents ensure their children arrive on time and should support parents in addressing this issue.

Where a child is persistently late and has accrued sufficient ‘U codes’ in the register a referral may be made to the Education Welfare Service, who may in turn issue a Penalty Notice.

Prior to a referral for a penalty notice to be issued there should be evidence of the following for a successful prosecution to take place:

- a minuted meeting with parents to advise of concerns regarding attendance;
- one home visit;
- a letter to say that a referral to the Education Welfare Officer (EWO) will be made;
- evidence of support offered by school in supporting parents with attendance and punctuality.

A Penalty Notice incurs a fine of £60 if paid within 21 days increased to £120 if paid within the 28th day.

It is the responsibility of the Headteacher to monitor attendance and punctuality. Transform Trust in conjunction with the Headteacher set attendance targets annually and are kept informed on attendance figures.

Leave of Absence

There is no entitlement in law for any leave of absence from school in term time. Any applications for leave of absence must be made in advance using the ‘Leave Request’ form and any request can only be authorised where School accepts there are ‘exceptional circumstances’.

At *(school name)*, when considering such requests, we consider the following:

- circumstances of the request
- purpose of the leave
- length of the proposed leave
- the pupil's general absence/attendance record going back 12 months
- any attempts made to mitigate the length of absence
- the proximity of SATs
- general welfare of the pupil

If the school is informed or suspect that a family has been on holiday whilst suggesting to the school another reason of absence this will be unauthorised. It will be up to the family to prove that they have not taken a family vacation.

Where parents/carers take children out of school without authorisation legal action may be taken (see section on Penalty Notices below).

Parents/carers risk losing their child's place on the School Roll if the pupil does not return to School on the agreed date of return and re-admission cannot be guaranteed as defined in legislation.

Surely 1 or 2 days absent a week doesn't seem much but this is how it is..

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's...
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

If your child is late 10 minutes a day - surely that won't matter or affect my child..

Only missing just..	That equals..	Which is...	Over 13 years of schooling that's...
10 minutes per day	50 minutes per week	Nearly 1 ½ weeks per year	Nearly ½ a year
20 minutes per day	1hour 40minutes per week	Over 2 ½ weeks per year	Nearly 1 year
30 minutes per day	Half a day per week	4 weeks per year	Nearly 1 ½ years
1 hour per day	1 day per week	8 weeks per year	Over 2 ½ years

Penalty Notices

Where children accrue sufficient unauthorised absences school (including persistent late arrival) may make a referral to the Education Welfare Service, this may now include holidays/absence which have been attached to a school inset day or bank holiday.

The law gives powers to the Local Authority and other designated bodies to issue Penalty Notices where a parent/carer is considered able but unwilling to ensure their child's school attendance. Reducing absences from school is a key priority nationally and locally because missing school damages a pupil's attainment levels, disrupts school routines and the learning of others.

Parents/carers commit an offence if a child fails to attend school and those absences are classed as unauthorised. A Penalty Notice is an alternative to prosecution, which does not require an appearance in court unless the fine is unpaid after 28 days.

Full payment of the Penalty Notice means that parents/carers can avoid being prosecuted and convicted. Penalty notices are issued per parent per child at £120. However, if paid within 21 days the cost is £60.

The Education Welfare Service may also consider other options, such as taking further legal action.

Absence for religious reasons

The Local Authority has agreed with Religious Leaders and the Standing Advisory Council for Religious Education (SACRE) that one day for each religious festival (no more than three days in any one academic year), should be counted as authorised absence. This will be marked as 'R' in the register.

Children Missing Education

It is the duty of both the Education Welfare Service and school to collaborate in finding the pupil before deleting them from the register. The school **must** complete all required checks (admissions, housing, social care, school health, NCAT) and home visits before deleting the child from the school register and completing the CME referral form.

Attendance incentives

Good attendance is rewarded in a variety of ways at (*school name*) I, using a mixture of individual, class and whole school incentives. These incentives might include:

- Sharing weekly attendance percentages for each class, along with weekly winners with parents and pupils via assemblies, newsletters, dojo, attendance boards etc.
- Opportunities for the best attendance the previous week to be celebrated.
- The class with the highest weekly attendance % will receive a treat.
- The class with the best percentage for the half term will receive a class treat.
- Every child that has a 100% attendance figure for the term (allowing for authorised absences due to religious observance) will go in to the draw for the Termly Attendance Prize
- Children who have 100% attendance across the school year will receive a special prize.

In addition

- Classes may develop their own systems for celebrating and rewarding school attendance.
- At least 3 competitions/prizes will be awarded for specific attendance related targets throughout the year.
- Specific attendance targets may be met through the use of adult friendly incentives and/or individual prizes.

Monitoring Attendance

All pupils' attendance will be monitored regularly and at least half termly within school. Each term attendance reports should be submitted to the Headteacher with identified next steps to improve attendance. These actions should be reviewed regularly and should include quantifiable outcomes to show the impact of any actions taken. Regular meetings should be held between the Headteacher and the Attendance lead/officer so that whole school next steps can be planned and will be supported.

The Trust also monitors individual school attendance through:

- Termly Standards Meetings – this is where the individual Headteacher's Report is presented and discussed. The Trust Partnership Link and/or Partnership Director/CEO; along with Governors are present at these meetings.
- Termly Guardians meeting to consider individual and overall Trust attendance and any safeguarding concerns.
- The Trust's annual Partnership Review on individual schools.
- The CEO's Report to the Trust Board.
- The CEO's 'Indicator of Concern' for Governors and Trustees.

The principles of this Policy will also be applied to all Nursery and Foundation 2 children.

Review date: September 2022.

Expectations of Parents

Parents have a legal duty to ensure that their child attends school regularly and arrives on time. Full attendance is essential to the all-round development of a child and they should be allowed to take full advantage of educational opportunities available to them by law. Poor attendance undermines their education and, sometimes, puts pupils at risk. The school will share the attendance percentage with parents at each parent consultation meeting and more frequently where there are concerns.

It is the **parents’ responsibility** to contact the school on the **first day** their child is absent. This is a **safeguarding matter** so that all parties know that your child is safe.

Pupils are expected to arrive by **(insert time i.e. 8:50am)**. All pupils who **arrive late must report to the school office** where they are registered, their meal requirements noted and the reason for lateness is recorded.

Illness and Medical Appointments

When a child is unwell, parents should contact the school **before (insert time i.e. 8.45am)** on the **first day** of absence informing the school of the reason for absence.

When a child is absent, the class teacher will record the absence in the register. As part of our Safeguarding Procedures, the school office will endeavour to contact the parent or carer and other emergency contacts if **no message** has been received regarding the reason for the absence to check on the safety of the child.

- a) Every effort should be made to arrange **medical appointments outside school hours**.
- b) An **appointment card or verification** by the doctor/ dentist/hospital is required.
- c) If it is necessary for a child to be out of school for this reason, the child should be **returned to school directly** after the appointment.
- d) If a child is absent due to **vomiting**, they should not return to school for the next 24 hours after the last bout of sickness. This is to reduce the risk of infection to other children and adults at school.
- e) For **more than three days of absence** the school require a **written** explanation of why the child was

absent. The school office will request this if it is not produced.

- f) **Medical certificates** are required for absence **greater than five days**.

1st Day of Unexplained Absence

- Phone call made and text message sent to parents/carers.
- Headteacher and SLT to be notified of absence for pupils with safeguarding concerns.

 - Any child whose parent is known to have a life-limiting condition.
- If AO is unavailable it should be considered whether a visit from other school staff may be necessary.
