

Monthly Newsletter

A message from Rebecca Meredith

Welcome to the final edition of Headlines Newsletter for the 2022/23 academic year! I can't believe how fast this year has gone. Wow, is all I can say. Huge well done and thank you to every single one of our schools for the dedication and education delivered over the last year, we are a fantastic family of schools and I am so proud of you all. As CEO, I was extremely privileged to shake hands with, and chat to every one of the wonderful children who won a Trust values award at our recent children's events. I was so humbled and moved by the Super Hero winners' stories – they truly are inspirations to us all. I hope everyone who joined us at our staff celebration event last Friday night had a brilliant evening. May I take this opportunity once again to thank all our school staff, and to wish you a relaxing, peaceful and rejuvenating summer break – see you all in September.

Stories of the month

Derby Celebrating Children Awards

Derby Celebrating Children was a great success this month! Although the weather was very grey, everyone in attendance provided a great sense of warmth and happiness throughout the event. Hosted at the Derby Cricket Ground, the Derby Celebrating Children Awards was a fantastic mix of singing and celebrations. Every school involved were gracious and each child who was nominated or won the awards were able to explain the reasons as to why they earned their specific award.

Transform Trust Celebrating Staff Awards

After celebrating our amazing children across the Transform Trust family, we also needed to celebrate the staff who got us to this point of success. Over five hundred Transform Trust leaders, teachers, TAs, office/midday/kitchen/estates/finance, and support staff were treated to a fun night together where every school team received an award for its particular achievement this academic year. Thanks again to our generous sponsors Aquinas Education who made this possible.

Nottingham Celebrating Children Awards

On Friday 21st July, we celebrated our wonderful children across our schools in Nottingham. Hosted at Colwick Hall Hotel, a beautiful venue for a wonderful event. Parents and carers were proud of the phenomenal effort their children have put in this year. Children and guests were given the opportunity to play minigolf and take some photographs in the photo booth. All of the Nottingham based schools had a fabulous time celebrating all children being awarded for engaging with the school's values.

Edale Rise Primary and Nursery School

Children at Edale have been showcasing their talent at the Edale Rise Got Talent showcase. The performers displayed a variety of skills ranging from Ju-jitsu, artists, singers, dancers and presenters. In their overall winner they have chosen an upcoming singer-songwriter who played her guitar and sang. All of the brave entrants and Year 6 raised £239 for their chosen charity Cancer Research.

Sneinton St Stephen's Primary School

For their Reading Festival this year, every class at Sneinton Primary was turned into an immersive story world overnight, castles, carnival, camping, Buckets bedroom & the Twits whole room recreated upside down! Book activities, lots of reading for pleasure, and then celebrating with families at the fair!

Whitegate Primary School

Community Action Week may be over by the Year 5 team headed to Lidl and Morrisons to purchase donations for Clifton Hope Centre food bank. They managed to fill their donation box and donate over £1000 to support their amazing work.

Highbank Primary School

During the month of July, children at Highbank Primary engage in an array of sports for their Sports Week. Children from all classes get to try out sports they may not necessarily get the chance to such as archery, basketball or missile throwing. Parents and carers also had the opportunity to come and watch the children compete in their sports day and witness future athletes in the making.

Zaytouna Primary School

With the guidance of Mrs Kilpatrick, 35 children received their Junior Duke Award at Zaytouna Primary. Children from the Olives (EYFS), year 5, and year 6 had all completed at least 7 challenges at home and recorded them in their journals. A great achievement!

Transform Applied

Transform Applied have been busy this month wrapping up the academic year and planning ahead for September 2023. Keep up to date with everything Transform Applied [here](#).
