

Transform Trust Complaints Procedure

Policy Number	Author	Publication Date	Review Cycle
003	Chief Operating Officer	V6 September 2023	Annually

1. Introduction

1.1 This procedure applies to all schools within Transform Trust and for any complaints received by or about the Trust itself. The Trustees may approve a transitional procedure for recently converted schools in exceptional circumstances. The Scheme of Delegation for each Academy within the Trust outlines the delegated responsibility for staffing matters and the pay and conditions of all staff.

1.2 It is a legal requirement for all academies to have a complaints procedure. This must meet the standards set out in the Education (Independent School Standards (England) Regulations 2014 (<http://www.legislation.gov.uk/uksi/2014/3283/schedule/made>) Schedule 1, Part 7, which sets out how complaints procedures should be drawn up and used effectively to handle complaints from parents of pupils.

2. Who can make a complaint?

2.1 This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to our schools about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

3. The difference between a concern and a complaint

3.1 A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

3.2 A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

3.3 It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Our schools take concerns seriously and will make every effort to resolve the matter as quickly as possible.

3.4 If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the Headteacher, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the Headteacher will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

3.5 We understand however, that there are occasions when people would like to raise their concerns formally. In this case, the school will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

4. How to raise a concern or make a complaint

4.1 A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf of a complainant, as long as they have appropriate consent to do so. We may ask the complainant for evidence of this consent.

4.2 Complaints against school staff (except the Headteacher) should be made in the first instance, to the Headteacher via the school office. Please mark them as *'Private and Confidential'*.

4.3 Complaints that involve, or are about the Headteacher should be addressed to the Chair of Governors, via the school office. Please mark them as *'Private and Confidential'*.

4.4 Complaints about the Chair of Governors, any individual governor or the whole governing body should be addressed to the Governance Professional (formerly known as Clerk), via the school office. Please mark them as *'Private and Confidential'*.

4.5 Complaints about the Chief Executive Officer (CEO) or a trustee of the Trust, should be addressed to the Trust Board Governance Professional, Chair of Trustees, via the Trust office. Please mark them as *'Private and Confidential'*.

4.6 Our office staff will deal with correspondence confidentially in order to reach the recipient securely and promptly (e.g. to the Chair of Governors or Governance Professional). This may mean that your correspondence is opened and scanned to be electronically provided to the recipient. All correspondence will be kept confidentially and appropriately in accordance with school systems and procedures.

4.7 For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask third party organisations like the Citizens Advice to help you.

4.8 Please note that a copy of the written complaint may be provided to the subject(s) of the complaint in order for them to be able to provide a full response. If you do not wish for the full written complaint to be provided to the person(s) you must indicate this in your written complaint or on the complaint form and state your reasons why this information should not be shared. In this case, a summary of the complaint will be agreed with the complainant and then provided to the person(s) they are complaining about in order for them to respond.

4.9 In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

5. Anonymous Complaints

5.1 We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation. However, the outcome of any investigation cannot be provided to an anonymous complainant.

6. Timescales

6.1 You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this timeframe if exceptional circumstances apply. The complainant will need to stipulate what they believe are exceptional circumstances which will then be considered by the school in liaison with a member of the Trust's Executive Team. The complainant will be notified of their decision accordingly.

7. Complaints Received Outside of Term Time

7.1 We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

8. Duplicate Complaints

8.1 After a complaint has been closed, if the school receives a duplicate complaint from a partner, spouse, grandparent, child or other close contact/relation, the school can inform the new complainant that the school has already considered the complaint and the school's process is now complete. If there are any new aspects to the complaint, the new aspects alone will be considered in line with the full extent of the complaints procedure. The complainant is advised to contact the Education & Skills Funding Agency (ESFA), if they are dissatisfied with the school's handling of the original complaint.

9. Complaint Campaigns

9.1 If the school becomes the focus of a campaign and receives large volumes of complaints:

- all based on the same subject
- from complainants unconnected with the school

9.2 The Headteacher, Chair of Governors (if the complaints are about the Headteacher) or CEO will appoint an appropriate person to investigate the complaints. In these circumstances it may not be possible to meet with all individual complainants or correspond with them individually.

9.3 Once the investigation is concluded, the investigating person may choose to write to each complainant with an outcome, or the school can respond with a template response to all complainants, or by publishing a single response on the school website. Complainants are advised to contact the Education & Skills Funding Agency (ESFA), if they are dissatisfied with the school's handling of the complaint.

10. Complaints raised using Social Media

10.1 Concerns or complaints must be raised using this complaints procedure in order to ensure the best outcome for all parties. Schools will not formally respond to complaints or concerns raised on social media platforms but may contact individuals to guide them to use the complaints procedure and to request the removal of such content on social media in line with school social media policies.

11. Scope of this Complaints Procedure

11.1 This procedure covers all complaints about any provision of community facilities or services by our school, other than complaints that are dealt with under other statutory procedures, including those listed below.

11.2 If other bodies are investigating aspects of the complaint, for example the police, local authority, safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

11.3 If a complainant commences legal action against any of our schools in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

12. Resolving Complaints

12.1 At each stage in the procedure, our school wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation;
- an admission that the situation could have been handled differently or better;
- an assurance that we will try to ensure the event complained of will not recur;
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made;
- an undertaking to review school policies in light of the complaint;
- an apology.

13. Withdrawal of a Complaint

13.1 If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing. Once received, we will confirm in writing to the complainant that the matter is now closed and the complaints process will cease. If the complainant indicates verbally that they wish to withdraw the complaint, but does not confirm this in writing, we will write to the complainant to advise them that the complaint is now closed.

14. Stage 1 – Informal Complaints

14.1 It is hoped that most concerns can be expressed and resolved on an informal basis.

14.2 Concerns should be raised with either the class teacher, phase leader, appropriate member of staff or Headteacher. Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

14.3 At the conclusion of their investigation, the appropriate person investigating the complaint will provide an informal written response within 5 school days of the date of receipt of the complaint.

14.4 If the issue remains unresolved, the next step is to make a formal complaint.

15. Stage 2 – Formal

15.1 Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the school office. This may be done in person or in writing (preferably on the Complaint Form).

15.2 The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

15.3 Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face-to-face meeting is the most appropriate way of doing this.

Note: The Headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.

15.4 During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish;
- keep a written record of any meetings/interviews in relation to their investigation. All correspondence, statements and records relating to the complaint are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

15.5 At the conclusion of their investigation, the Headteacher will provide a formal written response within 20 school days of the date of receipt of the complaint.

15.6 If the Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

15.7 The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions our schools will take to resolve the complaint.

15.8 The Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

15.9 If the complaint is about the Headteacher, or a member of the governing body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 2.

15.10 Complaints about the Headteacher or member of the governing body must be made to the School Governance Professional (for the Headteacher), via the school office and Trust Governance Professional (for the governing body), via the Trust.

15.11 If the complaint is:

- jointly about the Chair and Vice Chair or;
- the entire governing body or;
- the majority of the governing body.

Stage 2 will be escalated to the CEO of the Trust.

16. Stage 3 – Panel Hearing (Committee Meeting)

16.1 If the complainant is dissatisfied with the outcome at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3 – a panel hearing consisting of at least three people who were not directly involved in the matters detailed in the complaint with one panel member who is independent of the management and running of the school. This is the final stage of the complaints procedure.

16.2 Prior to the meeting, the Panel will decide amongst themselves who will act as the Chair of the Panel Hearing. If there are fewer than two governors from the school, the Governance Professional will source any additional, independent governors through another school from within the Trust, in order to make up the Panel.

16.3 Alternatively, the Chief Executive Officer will appoint a Panel of at least three people who are not directly involved in the matters detailed in the complaint – at least one of which will be entirely independent of the management and running of the school.

16.4 A request to escalate to Stage 3 must be made to the Governance Professional, via the school office, within 5 school days of receipt of the Stage 2 response.

16.5 The Governance Professional will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 3 school days.

16.6 Requests received outside of this timeframe will only be considered if exceptional circumstances apply.

16.7 In making a request to escalate a complaint to Stage 3, the complainant should:

- state specifically why they are not satisfied with the outcome at Stage 2, and
- state the desired resolution.

16.8 If the reasons for moving to Stage 3 are not clear, the Governance Professional may need to seek further clarity from the complainant. The reasons for moving to Stage 3 will be shared with the Headteacher/person who investigated the complaint at Stage 2 so that they can prepare a response for the panel to consider.

16.9 The Governance Professional will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 15 school days of receipt of the Stage 3 request. If this is not possible, the Governance Professional will provide an anticipated date and keep the complainant informed.

16.10 If the complainant rejects the offer of three proposed dates, without good reason, the Governance Professional will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

16.11 If the complaint is:

- jointly about the Chair and Vice Chair or;
- the entire governing body or;
- the majority of the governing body

Stage 3 will be heard by the Trustees and an independent Panel member.

16.12 The Panel will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making their decision they will be sensitive to the complainant's needs.

16.13 The complainant may bring someone along to the Panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the Panel Hearing. However, there may be occasions when legal representation is appropriate.

16.14 For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

16.15 *Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.*

16.16 Representatives from the media are not permitted to attend.

16.17 At least 10 school days before the Panel meeting, the Governance Professional will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible;
- request copies of any further written material to be submitted to the committee at least 7 school days before the meeting. All correspondence, statements and records relating to the complaint are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

16.18 Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

16.19 The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

16.20 The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any notes taken.

16.21 The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part;
- dismiss the complaint in whole or in part.

16.22 If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint;
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

16.23 The Chair of the Committee will provide the complainant and the school with a full explanation of their decision and the reason(s) for it, in writing, within 5 school days.

16.24 The letter to the complainant will include details of how to contact the Education & Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by the school.

16.25 The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the school will take to resolve the complaint.

16.26 The Panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the Headteacher.

16.27 A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

16.28 All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

17. Complaints escalated to/about the Trust, CEO or Trustee

17.1 If a complaint is escalated to Transform Trust "the Trust" or if a complainant wishes to complain directly about the Trust, then the complaint should be sent to the CEO to be investigated.

17.2 The CEO will write to the complainant acknowledging the complaint within 5 school days of the date that the written request was received. The acknowledgement will confirm that the complaint will now be investigated under Stage 2 of this complaints procedures and will confirm the date for providing a response to the complainant.

17.3 Following the investigation, the CEO will write to the complainant confirming the outcome within 20 school days of the date that the letter was received. If this time limit cannot be met, the CEO will write to the complainant within 10 school days of the date that the letter was received, explaining the reason for the delay and providing a revised date.

17.4 If the complaint concerns the CEO or a Trustee, the complaint should be investigated by the Chair of the Trust Board. If a formal complaint form is received about the Chair, the complaint will be referred to the Vice Chair for investigation.

Note: Where the Chair of the Trust Board has investigated the complaint, they will write the letter of outcome to the Complainant and provide a copy to the CEO.

17.5 All correspondence, statements and records relating to the complaint are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

17.6 If the complainant is not satisfied with the outcome of the previous stage, the complainant should write to the Governance Professional to the Trust Board asking for it to be heard before a Complaint Panel within 10 school days of receipt of the Stage 2 response.

17.7 The Governance Professional will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

17.8 Requests received outside of this timeframe will only be considered if exceptional circumstances apply.

17.9 The Governance Professional will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 15 school days of receipt of the Stage 2 request. If this is not possible, the Governance Professional will provide an anticipated date and keep the complainant informed.

17.10 If the complainant rejects the offer of three proposed dates, without good reason, the Governance Professional will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

17.11 If the complaint is:

- jointly about the Chair and Vice Chair or;
- the entire Trust Board or
- the majority of the Trust Board

Stage 3 will be heard by a completely independent committee Panel.

17.12 The Complaint Panel will consist of three members. None of the three members of the Complaint Panel will have been involved in the incidents or events which led to the complaint, or have been involved in dealing with the complaint in the previous stages, or have any detailed prior knowledge of the complaint.

17.13 One of the Complaint Panel will be independent of the management and running of the Academy Trust. This means that the independent Complaint Panel member will not be a Trustee or an employee of the Trust.

17.14 A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the Committee meeting. However, there may be occasions when legal representation is appropriate.

17.15 For instance, if a Trust employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

17.16 *Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.*

17.17 Representatives from the media are not permitted to attend.

17.18 At least 10 school days before the Panel meeting, the Governance Professional will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible;
- request copies of any further written material to be submitted to the committee at least 7 school days before the meeting.

17.19 Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

17.20 The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

17.21 The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place.

Consent will be recorded in any notes taken.

17.22 The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part;
- dismiss the complaint in whole or in part.

17.23 If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint;
- where appropriate, recommend changes to the Trust's systems or procedures to prevent similar issues in the future.

17.24 The Chair of the Committee will provide the complainant and Transform Trust with a full explanation of their decision and the reason(s) for it, in writing, within 5 school days.

17.25 The letter to the complainant will include details of how to contact the Education & Skills Funding Agency (ESFA) if they are dissatisfied with the way their complaint has been handled by Transform Trust.

17.26 The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the Trust will take to resolve the complaint.

17.27 The Panel will ensure that those findings and recommendations are sent by electronic mail or otherwise given to the complainant and, where relevant, the person complained about. Furthermore, they will be available for inspection on the school premises by the proprietor and the CEO.

17.28 A written record will be kept of all complaints, and of whether they are resolved at the preliminary stage or proceed to a panel hearing, along with what actions have been taken, regardless of the decision.

17.29 All correspondence, statements and records relating to the complaint are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

18. Vexatious Complaints and Unreasonable Behaviour by the Complainant

18.1 It is considered that all complainants have the right to have their concerns examined in line with the relevant complaints procedure. In most cases, dealing with complaints will be a straightforward process; however, in a minority of cases, the complainant may act in a manner that is deemed unreasonable. Those identified will be treated consistently, honestly and proportionately whilst ensuring that the School and/or Trust as a whole suffers no detriment.

18.2 Complainants may act in a way that is considered abusive, unreasonably persistent or vexatious and by doing so it may hinder the School or Trust's ability to investigate their complaint or the complaints of others. This behaviour may occur at any time before, during or after a complaint has been investigated.

18.3 The time spent on dealing with all complaints should be proportionate to the nature of the complaint and consistent with the outcome that is being sought which should be realistic and achievable.

19. How is unreasonable complaint behaviour defined?

19.1 It should be noted that raising a complaint about a School or the Trust does not in itself constitute unreasonably persistent behaviour and neither do complainants who escalate through all stages of the relevant complaints procedure or those who express criticism about the complaints process itself.

19.2 The Trust has adopted the Local Government Ombudsman's definition and the identified characteristics for unreasonable or unreasonably persistent complainants *"For us, unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's, complaints"*. Appendix A outlines both examples of unreasonably persistent behaviour as well as abusive and/or vexatious complainants.

20. How will unreasonable behaviour be dealt with?

20.1 Whenever possible, the Headteacher, Chair of Governors or Complaints Case Worker will discuss any concerns with the complainant informally before determining the complainant's behaviour is unreasonable.

20.2 If the behaviour continues, the Headteacher, Chair of Governors or Complaints Case Worker will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact the school or Trust causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

20.3 In response to any serious incident of aggression or violence, we will immediately inform the Police and communicate our actions in writing. This may include barring an individual from the school site.

21. Next Steps

21.1 If the complainant believes the school or Trust did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Education & Skills Funding Agency (ESFA) (<https://tinyurl.com/y272935d>) after they have completed Stage 3.

21.2 The ESFA will not normally reinvestigate the substance of complaints or overturn any decisions made by the Trust. They will consider whether the school/Trust has adhered to education legislation and any statutory policies connected with the complaint and whether they have followed Part 7 of the Education (Independent School Standards) Regulation 2014.

21.3 The complainant can refer their complaint to the ESFA online at: www.education.gov/contactus, by telephone on: 0370 000 2288 or by writing to:

22. Monitoring and Review of the Policy

Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible;
- co-operate with the school in seeking a solution to the complaint;
- respond promptly to requests for information or meetings or in agreeing the details of the complaint;
- ask for assistance as needed;
- treat all those involved in the complaint with respect;
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved;
 - interviewing staff and children and other people relevant to the complaint;
 - consideration of records and other relevant information;
 - analysing information.
- liaising with the complainant and the Complaints Case Worker as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- a. conduct interviews with an open mind and be prepared to persist in the questioning;
- b. keep notes of interviews or arrange for an independent note taker to record notes of the meeting;
- c. ensure that any papers produced during the investigation are kept securely pending any appeal;
- d. be mindful of the timescales to respond;
- e. prepare a comprehensive report for the Headteacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The Headteacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Case Worker

(This could be the Headteacher/designated complaints governor, CEO, COO, Operational Safeguarding Lead, Trustee, or other staff member providing administrative support).

The complaints Case Worker should:

- ensure that the complainant is fully updated at each stage of the procedure;
- liaise with staff members, Headteacher, Chair of Governors, CEO, Governance Professional and Trust (if appropriate) to ensure the smooth running of the complaints procedure;
- be aware of issues regarding:

- sharing third party information;
- additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person.
- keep records.

Governance Professional to the Governing Body/Trust Board

The Governance Professional is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR);
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible;
- collate any written material relevant to the complaint (for example; Stage 1/2 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale;
- record the proceedings;
- circulate the contemporaneous notes of the meeting;
- notify all parties of the committee's decision.

Complaints Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Governance Professional) to provide any additional information relating to the complaint by a specified date in advance of the meeting;
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy;
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child;
- the remit of the committee is explained to the complainant;
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting.

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself;
- the issues are addressed;
- key findings of fact are made;
- the committee is open-minded and acts independently;
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure;
- notes of the meeting are taken;
- they liaise with the Governance Professional (and Complaints Case Worker, if the school has one).

Complaints Committee (Panel) Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so:
No Governor/Trustee may sit on the Committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant.
- We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.
- many complainants will feel nervous and inhibited in a formal setting. Parents/carers often feel emotional when discussing an issue that affects their child.
- extra care needs to be taken when the complainant is a child and present during all or part of the meeting.

Careful consideration of the atmosphere and proceedings should ensure that the child does not feel intimidated.

The Committee should respect the views of the child and give them equal consideration to those of adults.

If the child is the complainant, the Committee should ask in advance if any support is needed to help them present their complaint. Where the child's parent is the complainant, the Committee should give the parent the opportunity to say which parts of the meeting, if any, the child needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child to attend a part of the meeting that the Committee considers is not in the child's best interests. The welfare of the child is paramount.

Companion Role

Complainants and respondents may wish to be accompanied during the complaints process. Companions should be there in a supportive role and should not normally be speaking for the person they are accompanying, unless an individual's needs, or circumstances require this. Please note that companions are not able to fulfil a dual role of being a companion and a witness.

Appendix A - Examples of unreasonably persistent behaviour:

(Note: this list is not exhaustive, nor does one single characteristic on its own imply that the person will be considered as being in this category).

- Refusing to specify the grounds of a complaint, despite offers of help.
- Refusing to cooperate with the complaints investigation process.
- Refusing to accept that certain issues are not within the scope of the school or Trust's jurisdiction or within the scope of a complaints procedure.
- Insisting on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice.
- Making unjustified complaints about staff who are trying to deal with the issues, and/or seeking to have them replaced.
- Changing the basis of the complaint as the investigation proceeds.
- Denying or changing statements they made at an earlier stage.
- Introducing trivial or irrelevant new information at a later stage.
- Raising many detailed but unimportant questions, and insisting they are all answered.
- Submitting falsified documents from themselves or others.
- Adopting a 'scatter gun' approach: pursuing parallel complaints on the same issue with various members of staff and/or organisations.
- Making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous staff, or detailed frequent letters, and expecting immediate responses.
- Submitting repeat complaints with minor additions/variations, which the complainant insists make these 'new' complaints.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.
- Seeks an unrealistic outcome.

Examples of abusive and/or vexatious complainants:

The School and/or Trust will take steps to protect its staff and other adults from those who are behaving in a way which is considered abusive and/or vexatious. This may include physical or verbal abuse and could include the following (however this list is not exhaustive):

- Speaking to the member of staff/adult in a derogatory, abusive or discriminatory manner which causes offence.
- Swearing, either verbally or in writing despite being asked to refrain from using such language.
- Using threatening language towards any member of staff/adult which provokes fear or intimidation
- Repeatedly contacting a member of staff/adult regarding the same matter which has already been addressed.
- Publishes unacceptable information on social media or other public forums.
